

MidAmerica District Prayer Requests

Citylight Council Bluffs, IA

- Pray that we would break through 300 in attendance on Sundays.
- Pray for 100% involvement in City Groups, which means we need more leaders!
- Pray for our finances.
- Pray for Citylight CLUB (youth) to grow to 52 (That's how many chairs we have available for them!)
- Pray for Citylight IWCC (college), that 30-40 IWCC students will come on Easter Sunday!

New City, Bellevue, NE

- We currently have a family with a young baby who is on a ventilator in the hospital. He has "coded" several times and the situation is difficult. The family (mom and dad) struggle with addictions and more. This is a perfect storm of pain for them. Please pray that the church family would rally around them and that they would cling to Jesus in this season. I'm not confident the mom knows Jesus and I am confident that the father does not. Please pray for healing for little Benjamin and for salvation and freedom for mom and dad.

Citylight Lincoln, NE

- Pray for guidance on the next steps for the church plant. We're growing out of our facility and need to expand or plant. Pray for Jesus to provide finances, clarity, and opportunities.

Vintage Church, Atkinson, NE

- Pray that God would open people's minds to the idea of a new church in our small town.
- Pray that God would bring more leaders to our team.
- Pray that God would bring unity and collaboration to the churches in our community.

Citylight Aksarben, Omaha, NE

- Please pray for 5 brand new City Groups. These groups launched in February and we are building into the DNA of the groups over the next few months. Please pray that core members get connected, grow close as a family, and that they develop a mission to reach our city.

Camp Rivercrest, Fremont, NE

- Pray for male counseling staff to apply to serve at Rivercrest this summer. Also pray that the hearts of those that have already been hired will be ready to serve the Lord.
- The Father/Son and Mother/Daughter retreats are later this month. Pray that these events will draw those who attend closer to God and that they will experience His love.

Puente de Salvacion, Cedar Rapids, IA

- Please pray for the first youth meeting on March 19th with the theme of "Identity in Christ". Pray for future fellowship activities planned so they can get to know each other and build strong relationships.

Global Friends, Omaha, NE

- Recently we held an Indian themed night and many new Indian students came, as well as students from Middle-Eastern countries (around 80 in the Global Friends home). Please pray that our new friends will return. Our students represent Muslim, Marxist, Buddhist and Hindu worldviews.
